

# Activity report

The year 2025 marks an important milestone in the life of the **Étoiles du Cameroun** association.

Together, we make stars to shine  
in hearts, in lives, and in the  
future

# Introduction

In just a few months, the association has laid solid foundations, carried out its first concrete actions, and launched structuring projects with a promising long-term impact. This report outlines the main activities undertaken during 2025, as well as the results achieved, the lessons learned, and the outlook for the coming years.

## 1. Institutional creation and Constituent General Assembly

The year began with a foundational step: the holding of the inaugural General Assembly on November 8, 2025. This assembly enabled:

- the adoption of the association's **statutes** and **internal regulations**,
- the appointment of founding members and the election of the **Executive Board**, and
- the definition of **strategic directions** for priority projects.

Holding an open and democratic General Assembly reflects our commitment to establishing Étoiles du Cameroun within a framework of participatory and transparent governance.

## 2. Concrete solidarity: support for an orphanage in Yaoundé

Continuing our social commitment, a first humanitarian action was carried out in an orphanage in Yaoundé:

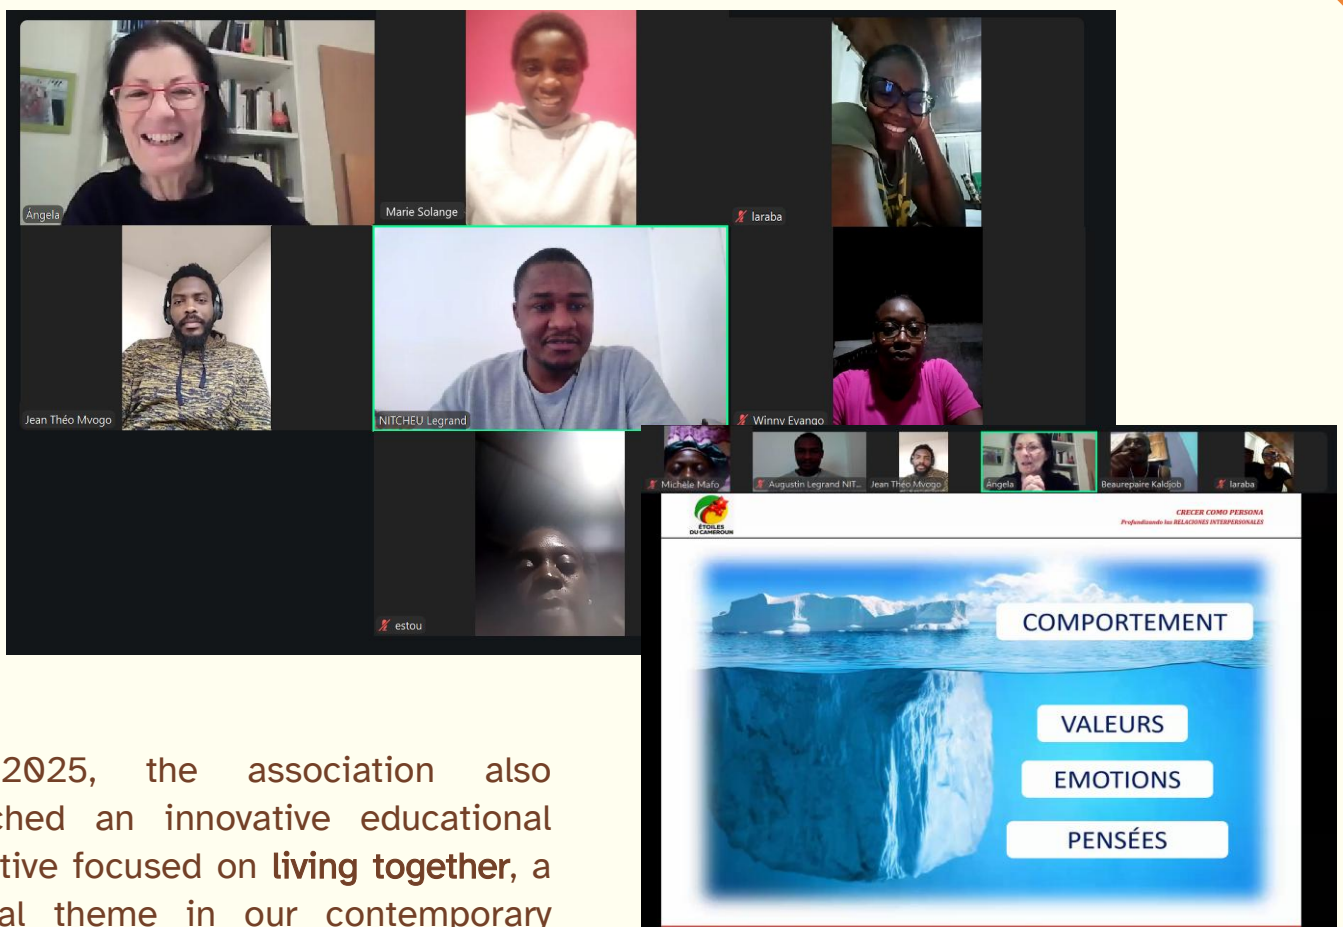

- **First visit for exchange and initial contact:** a delegation from the association visited the leaders and the children to understand the real needs and initiate a relationship of trust.

- **A tangible support visit** (Monday, December 29, 2025): A representative delegation returned to the orphanage to provide **essential material support**, including food, cleaning products, and clothing.

This initiative, far more than a one-time donation, reflects Étoiles du Cameroun's active solidarity with vulnerable children, the importance of being present on the ground, and the concrete impact that genuine community involvement can have.

### 3. Launch of training on living together

In 2025, the association also launched an innovative educational initiative focused on **living together**, a crucial theme in our contemporary societies. This initiative aims to:

- to develop **social, civic and relational skills** in the recipients,
- to strengthen community cohesion,
- to encourage mutual respect, tolerance and a spirit of collaboration.

The pilot program for this training began with interactive workshops involving all members of the association, with the support of an experienced trainer. The goal is to make it a permanent component of Étoiles du Cameroun's activities in the years to come.

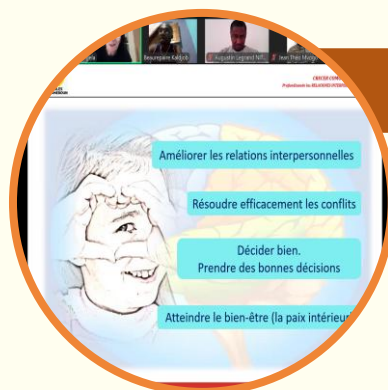

# Key results for 2025

## Administrative formalities

- Creation of the association and founding assembly  
=> Adoption of the statutes and establishment of the Bureau
- Legal procedures  
=> Legal approval of the association

## Social actions

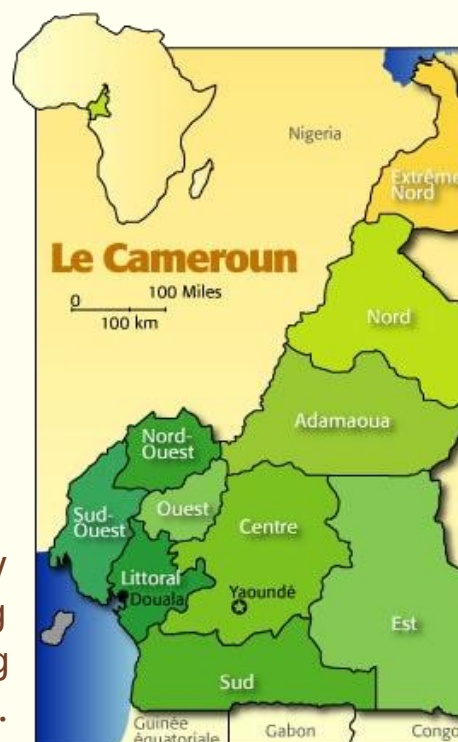

- Support for an orphanage in Yaoundé  
=> Material support provided to vulnerable children
- Launch of training courses on living together  
=> Initial workshops completed and positive feedback from participants

# Lessons and challenges

The year 2025 revealed that :

- Community mobilization can address real, immediate, and long-term needs;
- local initiatives are essential for building trust and measuring impact;
- there is a strong receptiveness to non-formal educational approaches, particularly regarding social skills.

Many challenges remain: structuring the beneficiary database, mobilizing regular financial resources, extending activities to other geographical areas, and developing institutional partnerships.

# Outlook for 2026

Several priority areas have been defined for the coming year:

**Sustainability and expansion of the training project**

**Extension of social actions**

à d'autres structures et communautés vulnérables

**to other vulnerable structures and communities**

to strengthen operational capabilities

**Communication and increased visibility**

of the association and its impacts

## Conclusion

2025 was a pivotal year for Étoiles du Cameroun.

Between its institutional establishment, concrete acts of solidarity, and the launch of impactful educational initiatives, the association laid a solid foundation to become a significant player in social development in Cameroon.

Étoiles du Cameroun warmly thanks all its members, partners, supporters, and volunteers for their commitment, trust, and contribution. Together, we are creating stars in hearts, in lives, and in the future.
